 PDC By-Laws

 Report from Richmond

 I-66 Project

1) PDC By-Laws

The Providence District Council (PDC) was officially incorporated 4/15/15. For additional details on the PDC bylaw changes, refer to: <http://providencedistrictcouncil.org/proposed-bylaws/>

2) Report from Richmond

Delegates Mark Keam, Marcus Simon and Senator Dick Saslaw gave reports from the Richmond General Assembly session held in April.

Many bills and topics were discussed, including Ethics Reform, license plate photos, bringing innovative companies to our area, and legalizing medical marijuana oils to treat epilepsy patients, to name a few.

3) I-66 Project

Delegates Mark Keam, Marcus Simon and Senator Dick Saslaw gave additional information about the local I-66 expansion project and answered questions. The CTB and VDOT are working on other options. The efforts of our community are being heard, though we must continue to apply pressure and communicate to the Governor, Commonwealth Transportation Board (CTB), Virginia Department of Transportation (VDOT) as well as our Delegates. This can be done by attending meetings, keeping informed and continue to write letters.
