

Providence District Council (PDC) Meeting Minutes

Date: Wednesday September 16, 2015

Time: 7:30 to 9:00 PM

Location: Providence Community Center, 3001 Vaden Drive, Fairfax (Classroom 1- upstairs)

Primary Speaker: Dr. Sunil Kumar, Principal Environmental Engineer at the Metropolitan Washington Council of Governments (MWCOG)

Primary Topics:

- PDC Business
- Discussion on Air Quality (Dr. Sunil Kumar)

1) PDC Business

Upcoming Candidate meeting: A meet and greet candidate meeting will be held on Oct 7. Candidates for District Supervisor and District School Board member are invited to speak. The other candidates for county-level offices (Clerk of the Court, Commonwealth Attorney, Sheriff, and Director of the Northern Virginia Soil and Water Conservation District) are also invited to attend, but not to speak. They will be able to distribute their literature and to meet the public during an informal period at the end of the event. Neighborhoods should be notified about this event.

Membership Chair Report (Kosmo Tatalias): Sent messages via email to members/potential members about joining the PDC.

Treasurer Report (R. Dana Opp III): The Wells Fargo PDC bank account was closed in late August 2015 since they charged a fee of \$14 per month. A new account was opened at BB&T bank (PDC is a nonprofit; there shouldn't be bank fees for having the account). There were 7 PDC memberships paid in September.

2) Discussion on Air Quality

Dr. Kumar discussed air quality historical trends, the air quality over the most recent ozone season and what the models are projecting. He also spoke generally about how transportation projects are incorporated into the air quality projections.
